## Community bid to buy former hotel building?

FORMER Axminster mayor Jeremy Walden has called a public meeting to gauge the level of interest in forming a charitable trust to buy The George Hotel building.

The meeting will be held tonight (Tuesday) in the Pippins youth centre building, starting at 7pm. Mr Walden has called the meeting in his capacity

as a town councillor, but stresses that he will not lead the formation of a trust, nor will the town council.

He said: "It is not something the town council could do even if it wanted to.

"You can't rely on councils or government to do everything, but as individual councillors we can help with certain skills.

"I will give whatever help I can, but will not personally begin the process.

"I will gather people to see if there is interest and commitment, but you will have to do it yourself whatever way you do it."

"In theory, they could have retail downstairs and offices upstairs."

A professional with considerable experience in the formation of charitable trusts will accompany councillor Walden to tonight's meeting.

Operating as a hotel and pub for many years, the George Hotel's most recent tenant left in late 2008.

The then-owner Punch Taverns failed to find a new tenant in 2008 and subsequently put the building on the market, and it was sold to a private company in June 2010.

Renovation work has taken place but it is unclear how far it has progressed.

The future of the building is a constant matter of concern during town council meetings, and councillor Walden said the matter is also aired frequently on social media.

He said: "I think there is a considerable amount of interest.

"Many people say something needs to be done," Councillor Walden said he would inform the owners of the George Hotel building to let them know the meeting will take place, but it is not known if they will attend or not.

The building is currently on the market with a local estate agent at £600,000.

### QUEEN'S PORTRAIT

■ ERYN Newcombe was the winner of Axminster Primary Academy's Queen Portrait competition.

Axminster Mayor Douglas Hull asked the school to hold the competition to celebrate the Queen's record reign.

Each competitor had to draw a portrait of the Queen, with seven-year-old Eryn triumphing.

The portrait she created will be sent to the Queen.

Eryn is third from left in the front row.

## TOP STORIES FROM ACROSS EAST DEVON AND SOUTH SOMERSET

### HONITON

## Council wants your feedback on how to help the town grow

**HONITON** Town Council's active role throughout the community has seen several developments come to fruition and now they want to hear from local residents on how to help the town grow.

After meeting with local groups in the past few months, regular themes have emerged and the general consensus is that the public would like to see certain improvements in Honiton.

Flowers and trees on the High Street, reduced parking charges, more recreational facilities, cycle paths, diversity in shops and affordable housing are the most common suggestions from local residents.

Some of the more long-term plans, including affordable housing will be reviewed as part of the neighbourhood plan.

Some projects might require an increase in the town council's share of Council Tax funds.

The overall precept was increased by £2,000 over the last two years to raise funds for the upgrade and relocation of CCTV equipment.

Following a recent walk by councillors known endearingly as the 'Grumble Walk', various concerns were identified and raised including pot holes and pavement repairs, and hedges cut back to enable walkers to access narrow paths safely.

At the moment the county council doesn't have the funds to maintain these areas to previous standards, and the town council could consider employing a handyman on a part-time basis to do this additional work on the highway.

The council are also looking for volunteers to help keep the town looking smart.

High Street businesses were asked to ensure their drains and guttering were cleaned on a regular basis to prevent overflow on to pavements.

East Devon District Council Streetscene was also asked to ensure that litter was picked up.

The town council is keen to ensure the High Street is a safe and welcoming part of the town.

## From the deputy editor's chair 'Golden Decade' reaches us at last

**THE** much discussed 'Golden Decade' of sport the UK has been blessed with has finally touched us here in the West Country.

With such esteemed events as the Olympic Games (2012), Rugby League World Cup (2013) and Commonwealth Games (2014) having been and gone, it's taken until this autumn's Rugby Union World Cup – perhaps with the exception of the Olympic sailing in Weymouth – to finally bring some real action to the South West.

Exeter Chiefs' Sandy Park stadium hosted the third and final of its World Cup matchups on Sunday, with the Italy v

Romania clash again bringing a real buzz to our nearest city.

But that doesn't end the West Country's World Cup involvement for the decade.

In cricket, there's a huge investment going on at Taunton's County Ground, the home of Somerset CCC.

The ECB has awarded the club an England game for the first time – with South Africa set to take on the national side there in a Twenty20 match in summer 2017 – and that's just the start.

The newly enhanced Taunton ground will also host a number of games when England and Wales stages the 2019 Cricket World Cup.

And it could have been even better... If England

had been able to secure the rights to the 2018 football World Cup, there would have been games in Bristol and Plymouth as well.

But I'm not sure we'd want to sully our good names by being associated with an organisation like FIFA anyway!

Whether you're into sport or not, it can only be good for the area to have rugby and cricket – albeit briefly – put the global spotlight on our neck of the woods.

## Community bid to buy former hotel building?

**FORMER** Axminster mayor Jeremy Walden has called a public meeting to gauge the level of interest in forming a charitable trust to buy The George Hotel building.

The meeting will be held tonight (Tuesday) in the Pippins youth centre building, starting at 7pm.

He said: "Many people say something needs to be done."

The building is currently on the market with a local estate agent at £600,000.

### SOUTH SOMERSET

## Sport England boost to help get women active

**MORE** than £160,000 will be invested in getting South Somerset women physically active, after Sport England announced a grant to the South Somerset District Council-led In It Together project.

The project was inspired by Sport England's 'This Girl Can', and will offer a range of exercise classes in a supportive environment.

Sport England's Director of Community Sport, Mike Diaper, said: "There are many reasons why a person may remain inactive, such as lack of confidence or worries about cost.

"Each one of these projects will offer targeted help to people who live challenging lives, so that they can get active and become involved in their community."

Local MP Marcus Fysh MP welcomed the news, saying: "This investment by Sport England is a real boost for the In It Together project and for people in the Yeovil constituency. Thanks to this funding, even more local people can get involved in playing sport and being active."

## OTTERY ST MARY Questionnaire moves West Hill's call for independence forward

**A RALLYING** call has been issued for West Hill residents to respond to the district council consultation and help secure an independent parish council for the village.

West Hill is currently governed as part of Ottery St Mary Town Council but local residents have been campaigning to be able to have their own parish council, and have received widespread support in the form of a petition, which was handed into East Devon District Council in June.

The petition, which triggered a 'Community Governance Review', is due to start this week with the publication of a leaflet, questionnaire and a map showing the possible West Hill Parish Council boundary, which will be posted to all households and interested parties in the Ottery area.

If the proposal for a new parish council were approved, the village would no longer come under the jurisdiction of Ottery's town council.

Dr Margaret Hall, who is leading the West Hill Parish Council Campaign said it was very important that the village had its own voice.

Dr Hall said: "We have 2,000 residents, and we value the unique character of our village."

## Beach hut auctions off

**EAST** Devon District Council (EDDC) has made a U-turn and will not auction five-year beach hut leases on the open market.

The coming summer will see a stop-gap rent increase pending a long-term strategy.

EDDC's Cabinet met on Wednesday last week, and a spokesperson said afterwards: "One of the biggest areas of contention within the original proposals was the possibility of an auction or sealed bids to establish open market charges on existing beach huts.

"It has now been agreed that other methods, yet to be agreed, need to be used. In the meantime, standard hire charges for 2016/2017 will be increased with the aim of achieving open market rates in the future."

The proposal to rip up current deals and auction five-year beach hut leases on the open market instead did not go down well with the majority of current tenants.

Under the current rules, tenants can renew their hire agreements each year. The proposal to auction the leases sparked fears that locals would be priced out, and 680 people responded to EDDC's consultation following the proposal.

Councillor Philip Skinner, EDDC, said: "Now... we can move forward in a clear yet decisive manner, which we trust will help allay the fears of beach hut and chalet tenants, as well as communities.

Seaton beach hut tenant Marilyn Coates said: "It is obvious that the council is only interested in making as much money as they can."

DECADE: Members celebrate the birthday

## Monday Monkeys is 10 years old

A MOTHER and toddler group in Axminster has passed the test of time and reached its 10th birthday.

Monday Monkeys' birthday 'do' was held on October 5th, and leader Gaynor Goodhew said: "It all started with a group of friends starting up a mother and toddler group up prior to the children starting pre-school.

"I then carried on the group as a focal point for mothers and toddlers to come along to play, chat and also pass on experiences.

"Over the years we have had other organisations come along to offer help and advice, ie HALFF, health visitors and Devon County Council family learning.

"Although this is a voluntary/non profit group, we are very grateful for the generosity of local

charities, especially Axminster Care Service.

"Over the last ten years I have been able to use Millwey Community Hall, which has been a great facility for the group to use.

"We meet term time from 9.15-11.30am every Monday."

The entry fee is £1.50 per family, with tea/coffee fruit and toast included.

Gaynor added: "I would also like to thank everyone who has supported Monday Monkeys over the last ten years."

## Cross country run progress

A CROSS country team from St Mary's Primary School in Axminster has progressed in Axe Valley Area Cross Country Competition.

Two teams of six children travelled to Colyton Grammar School on Tuesday, September 29th.

A school spokesperson said: "The girls' team had great willpower and never gave up.

"Each of them ran through the finishing line with a smile and immense pride at completing the course.

"The boys team, with great speed, strength and determination, fought their way through the other teams and proved that they were super-stars.

"As a result, the St Mary's boys' team came first and have made it through to the next stage of the competition.

"This will be held at Bicton at a later date. Congratulations to both of the teams."

## Axe Valley Christmas fair

AXE Valley Community College's Christmas Fair will be held in Axminster Guildhall.

Light lunches and refreshments will also be served and seasonal music will be performed by the school choir.

Retailers can book a table (£10/£20 for small/large table plus raffle prize) by contacting Kate Pemberton on 01297 32146 or kpemberton@axevalley.devon.sch.uk

## School's harvest assembly

CHILDREN, staff, parents and governors of St Mary's Catholic Primary School in Axminster attended a special harvest assembly. The children shared some of

their work around a harvest theme including the youngest children in Robin Class retelling the story of 'The Little Red Hen' and the oldest children of Eagle

class sharing their work on the children of Syria.

Children brought in Harvest gifts, all of which were donated to Canned Sunshine Food Bank.

# Ambulance service asks for clear directions to help reduce waiting time for casualties

SOUTH Western Ambulance Service NHS Foundation Trust has asked for as clear directions as possible after a crew struggled to locate a casualty.

The trust has also outlined how its ambulances are spread across the area, following claims that a casualty in the Axminster area had to wait for more than an hour before help arrived from Cullompton.

ton.

As reported last week, a seven-year-old girl fell off a horse in Burchill, near Axminster, on Saturday, September 26th.

A friend of the family, who did not wish to be named, claimed it took well over an hour for an ambulance from Cullompton to arrive.

South Western Ambulance Serv-

ice NHS Foundation Trust admitted it took about an hour for the ambulance to arrive and added that the incident was categorised as a Green Two call, which has a 30-minute response target.

The girl was treated at the scene and did not require hospital treatment.

It is understood that the family involved has not made a com-

plaint to the ambulance service, but the friend says the waiting time was unacceptable.

The ambulance service has issued a further statement, a spokesperson saying: "The crew arrived on scene in one hour and 10 minutes.

"They did have trouble finding the location. The trust would like to take this opportunity to remind residents and visitors about the importance of providing us with as much information about addresses and locations as possible – especially in the more rural areas

where there may not be road names.

"If you know your house is difficult to find, please give us any landmarks that will help us get to you as quickly as possible.

"Please make sure your house name or number is visible and obvious from the road (and not being concealed by foliage)."

The spokesperson did not say if the ambulance in question had travelled from Cullompton or not, but said: "Across Devon we have ambulance stations at various locations.

"These stations house multiple resources, including double-crewed ambulances and rapid-response vehicles and these vehicles and crews will start shifts at different times throughout the day and night.

"Our resources are not dedicated to specific areas, they respond where they are required and our control room staff are very responsive to vehicle availability – moving vehicles to different locations, ensuring we have the best possible ambulance cover for all communities."

## Fireworks and pumpkins at Stockland Primary School

PARENTS, staff and children at Stockland Primary Academy are busy preparing another spectacular fireworks night, this year on Friday, October 23rd.

The event has proven itself to be one of the best locally, with a stunning professional fireworks display.

A spokesperson for the parents, teachers and friends' association said: "The school site will be filled with arts and crafts, face painting, spooky stalls and gruesome games to keep everybody entertained.

"Kids and adults will be catered for by a bar,

barbeque and cake stall. Keen carvers should get their pumpkins at the ready and start practising for the hotly contested pumpkin carving competition.

"Entries should be brought along on the night and placed on the wall by the school entrance."

There will also be a kids' prize up for grabs for the best Halloween fancy dress.

Tickets can be bought at the gate on the night and are £17 for a family ticket (two adults and two children), £6.50 for an adult and £4 for a children's ticket. Under 3s are free.

## Colyton's Dolphin House Gallery celebrates its 25th anniversary

ROGER and Emma Laughton started the Dolphin House Gallery from scratch in 1990 after moving to Colyton from London.

Roger's long-standing family connection with East Devon meant they were already familiar with the beautiful area.

Roger is a painter and etcher who produces exquisite, original handmade prints of landscapes, flowers and butterflies. His views of Devon, Dorset and Cornwall are in collections all over the world and he has exhibited widely, including in the Royal Academy Summer show. Roger has also collaborated with the Dorset poet David Bushrod on some beautiful local books such as "Marshwood Vale", which has been in print for 20 years and sold thousands of copies.

The gallery provides a high-quality, bespoke framing service with a large range of mouldings and mountboards available. For 25 years, our watchword has always been quality at reasonable prices, and this has attracted many loyal customers, to whom the gallery is very grateful.

Traditional stretching and framing of needlework is one of many expert services on offer. The gallery also stocks earthenware pottery by Axminster potter Nick Hillyard, which is both practical and lovely, and a fine range of art greetings cards.

Over the years the gallery has mounted a succession of exhibitions showing works by other artists, some local and some from further afield. The late Jo Scannell and the late Mary Shields had successful exhibitions here,

and other contributors have included Ricky Romain, Heather Fallowes, Linda Wilkes, Robert Jennison, Terry Raybould and many more.

To celebrate 25 years of exhibiting, a group of five printmakers will be showing original etchings, linocuts and lithographs at Dolphin House Gallery from October 10th to November 13th. As well as Roger himself (under his artist name of Roger St Barbe) we have Mary Gillett, John Scott Martin, Patricial Regnart and Carolyn King of Lyme Regis fame.

Roger and Emma would like to express their gratitude to all their customers for helping them to enjoy living and working in East Devon for a quarter of a century, and of course to their fellow traders for their kind support. We look forward to welcoming you at the exhibition, which will be open from Wednesdays to Saturdays.

## CHALLENGE ROB

A weekly column throughout October

Trying out everything

**B!** HEALTH & FITNESS has to offer!

AFTER a great first week I was back at the gym after work on Monday feeling great and looking forward to my next couple of sessions. Again I was struck with how much space there was considering it was Monday night and probably the most popular time for people to train. There were no issues with having to wait for any equipment at all, you can just get on with your workout; it really does make a huge difference.

On Monday night Duncan had me focused on a full body session doing the same as I had done on Saturday but with less reps on heavier weights. It was a totally different feeling and I did find certain bits harder than others. As it was a full body workout I lifted weights using both the upper and lower body. Despite my previous knee injury my legs feel relatively strong, which is the total opposite to my upper body. I particularly struggled with the chest press and found it really hard to squeeze out the last few reps, but Duncan gave me plenty of encouragement and helped me through. He was always on hand to give me pointers with my technique as I often found myself adjusting without realising and making things harder than they should be.

I've quickly realised how important it is to use the correct techniques, especially when weight training and that is where I feel the B! Health & Fitness team really makes a difference. They are all really friendly and get to know all their members on a personal level so you don't feel stupid or intimidated having to ask for help. Even if you don't ask they are always there to give you pointers making sure you're not going to injure yourself by lifting in the wrong way.

Tuesday night was the one I'd really been looking forward to, as it was a golf specific session focusing on exercises that will strengthen my golf game. The session was again totally different from what I'd done up to now with a lot of focus on flexibility but also working on my core strength. Everything I did was a lot more controlled and I could really feel how it was using the muscles that help me generate power with my golf swing.

Duncan also showed me a few exercises with a new piece of equipment they have, which is called an RMT club. I instantly felt comfortable as you can hold it similar to a golf club and work the specific muscle groups you use in the golf swing. The club is weighted and doing some more vigorous exercises with it certainly got the heart pumping.

It was a brilliant session that I really enjoyed. It's great to know that the team can structure you a programme based entirely on the areas you want to work on, especially if you play a specific sport. Duncan told me how they have recently created a programme for a local gig rower and also a cricket bowler. It gives a real difference to your workout and it certainly gave me extra motivation knowing it would directly help my golf game. I want to thank Duncan for putting that together for me and I look forward to developing more on that in the future.

That was my last session for the week, as I write this I'm about to head to Barcelona on a stag do for the weekend! Not the best thing for a fit and healthy lifestyle but from time to time we all have the odd slip up! However it has left me feeling almost frustrated that I now can't train until Monday. I'm really enjoying working out and in this short time it's already making me feel so much better about myself. I'm coming back to a personal training session with Craig on Monday, after a heavy weekend away with the boys it could be interesting!

### Parked Clio vandalised

A WHITE Renault Clio was vandalised when parked in Musbury Road, Axminster.

PCSO Hayley Widger said: "The wing mirror was damaged at some point between 7pm on Tuesday, September 29th and 11am on Wednesday, September 30th.

"Residents are asked to be aware and report any suspicious activity seen to police, dialling 999 if offenders are still in the area at the time of your call.

"Anyone able to offer information regarding this crime is asked to call 101 or email 101@devonandcornwall.pnn.police.uk quoting crime reference 68094/15."

## End of season sitar session at Arts Café

AXMINSTER Arts Café's Music in the Garden season was rounded off by artist and musician Ricky Romain, performing morning Ragas (Indian music) on his sitar.

Axminster Arts has held free Music in the Garden events every Saturday morning throughout June, July August and September in the public Courtyard Garden at the Old Courthouse in Church Street.

It is hoped to follow up this year's successful season by holding another season of music next year, but more volunteers are needed.

Spokesperson Jenny Fells said: "Help could take the form of organising the programme of events, going on a rota to supervise some of the Saturday morning events or running a licensed bar at one of their one-off bigger events.

"People who wish to put themselves forward as a volunteer do not necessarily need to become a committee member."

Centre manager Sam Norris said: "We would like to say a big thank you to all who came to our exhibition.

"In particular we would like to express our gratitude to our volunteers who enthusiastically gave their time and energy to help ensure the exhibition ran smoothly.

"Approximately 300 people attended and nearly £1,000 was raised towards our community projects; Wishing Well (our cancer self-help support group), Canned Sunshine (Axminster Food Bank and Mindfulness).

"Visitors to the exhibition were able to enjoy a range of taster complementary therapies including reflexology, holistic massage, rosen, Bowen and laser light therapy all at very reasonable prices.

"Visitors enjoyed the opportunity to sample a wide range of healthy foods and teas.

"Wellbeing products such as soaps and essences were also available to buy. Throughout the day, a range of delicious, home cooked lunches and cakes were on sale".

## News in brief

### Websters site knot stopped

**JAPANESE** Knotweed will have no impact on the progression of turning the Websters site in Axminster into a temporary car park.

People in protective suits were spotted on the site one morning, fuelling speculation.

Japanese Knotweed is known for its relentless and aggressive spread, suppressing all other growth.

Neal Hiscocks of site owner Hallmark Estates said: "The Japanese Knotweed, which is subject to a professional treatment programme, is right at the southernmost extent of the site in a small fenced-off area and has no bearing at all on the car-park project or the anticipated final scheme."

### Appeal over dog attack

**AXMINSTER** Police would like to identify the owners of an aggressive Staffordshire bull terrier-type dog.

The dog is said to have attacked another dog on the foot/cycle path between Cloakham Lawn and Weycroft Mill at about 4pm on Saturday October 3rd.

There was no mention of any injuries suffered by the attacked dog, but police would like to interview the owners of the 'staffy'.

A police spokesperson said: "The description of the male is 5ft8in, white, with a beard and wearing a wide brim cowboy-type hat, black T-shirt and army combat trousers. "The female was pushing a pram."

"Anyone with information, please call 101 and quote crime number CR/068827/15."

## Historic carpet firm goes high-tech at showcase

AXMINSTER Carpets showcased its industry-leading online carpet selector and app at The Flooring Show, Harrogate.

Retailers visiting the company's stand could test the Oculus Rift virtual reality device, which produces Computer Generated Images (CGI) of rooms to help customers choose a suitable carpet.

Commercial Director Josh Duffield said: "Axminster Carpets is world-renowned as a company which is steeped in a rich history.

"However, we are also extremely mindful that we live in a digital age and that our customers are used to having lots of freedom when researching their perfect interior.

"So we thought it was really im-

portant to offer our customers something different when it comes to choosing their next carpet and are very proud that we are the only such manufacturer in the UK to be providing this level of functionality."

The Axminster app and concept software was developed by Colchester-based ThinkBDW.

Marketing manager Hilary Clements said: "The stockists who tried the headset and experienced the 3D virtual reality rooms were very excited by our technology and the benefits it will bring for customers."

A company spokesperson added: "Axminster Carpets' innovative online

carpet selector and app are designed to inspire customers and enable them to choose between carpet swatches.

"Both the app and microsite show virtual images of different types of rooms; from a farmhouse dining room to a loft-style living area.

"Users can instantly change the design of the carpet by clicking on the swatches.

"Customers can also switch between different wall colours, allowing them to imagine what the carpet would look like in their own homes."

**HI-TECH:** Ian Philips of retailer Gillies tries the virtual reality device under supervision of Ian McDermid, Northern Sales Director for Axminster Carpets

## Cook and chat with HALFF

## Schoolchildren all aboard

PUPILS from Burton Bradstock Primary School in Dorset started off the new academic year with a memorable journey on Seaton Tramway.

To start the Learning Quest on the theme of 'Journeys' the whole school – 84 pupils from Reception through to Year Six – travelled to Colyton.

Once there they boarded the tramway and travelled to the beach at Seaton.

The pupils were able to see what transport in the past would have been like and also found out about the mechanics of trams.

Headteacher Mrs Staple said: "It was a wonderful way to start this term's learning."

"The trip has really inspired the children and they have produced fantastic writing from their experiences."

Mrs Brook, chairman of the Friends of the School, added: "The children had a great time and both learnt a lot and spent valuable time with their friends."

"The Friends of the School funded the total cost of the trip through their fundraising."

"This is something that we are keen to do as it enhances the children's learning."

"We have lots of different fundraising events this year, starting with a Bingo Night on Saturday, October 17th at Burton Bradstock Village Hall."

# Bowls club anniversary

BEER Short Mat Bowls Club has just celebrated their 25th anniversary.

Launched in 1990 following sterling work by Graham Archer, who is still a member, the club operates out of the Mariners' Hall with sessions twice a week.

Plans to mark the anniversary on October 10th were thwarted as the Mariners' Hall was being used for the

by Kevin Fahey

annual R'n'B Festival but fixtures secretary Colin Tims said the occasion would be honoured at the club's annual members only tournament at the end of the month

"The club has enjoyed a lot of success of late winning the East Devon and Broadclyst Leagues on several occa-

sions, and also the cup three times," said Mr Tims.

"We meet in the Mariners' Hall on Tuesday and Thursday evenings from 7.30-9.30pm and anyone is welcome to come along. Tuition and equipment will be supplied."

Pete Baxter is the current chairman but sadly club president Graham Hilton recently passed away.

■ BEER Short Mat Bowl Club members Geoff Stone, Peter Sydenham, Keith Bedford and Colin Tims mark 25 years

# Tales of the road in new book

SEATON authors Hilary Bradt MBE and Joyce West have both contributed to a book celebrating travelling in later life.

To *Oldly Go: Tales of Intrepid Travel by the Over-60s* contains true tales by 41 writers who share their own experiences of intrepid exploration and adventure in later life.

They admit to midnight swims across the Thames, cycling solo around the world and riding across the Sudanese desert on camelback.

To *Oldly Go* is a celebration of the silver traveller, and within its pages are tales that will turn your hair grey too. Writers featured also include Dervla Murphy, Colin Thubron,

by Anders Larsson

John Carter and Matthew Parris.

Other contributions are from members of the public who were selected from entrants to a nationwide competition to find the best tales of adventurous travel by the over 60s.

Hilary Bradt MBE is an experienced broadcaster and writer, both in the UK and overseas.

Founder of Bradt Travel Guides, Hilary has over 40 years of travel experience and still continues to take the road less travelled, believing herself to be the UK's only septuagenarian hitchhiker.

The official launch was a sell-out

event at Stanfords travel bookshop in London.

## Loose board

FIREFIGHTERS were called to Eyre Court in Seaton to deal with a piece of wood dangling over a pavement.

They were called just after 5.30pm on Wednesday, October 10th, and a spokesperson for the fire and rescue service said: "We had a call from a passing member of the public after they had noticed a property where a piece of wood was hanging off it and it was dangling over the pavement."

"Shortly after arriving the crew confirmed that a piece of fascia board was hanging from the roof and set to work making it safe."

## Plans for third defibrillator in Beer

PLANS to provide a new defibrillator in Beer have moved another step closer.

Councillor Dan Clist reported to the monthly meeting of Beer Parish Council that he had held talks with the West Country Ambulance Service to determine the feasibility of installing a defibrillator on the beach.

"Dan has been in touch with the West Country Ambulance Service and they have said they will come to Beer and do an assessment," said council chairman Cllr Martin Richards. They will look at whether Beer needs a defibrillator on the beach and then see what it will cost, if anything.

"Apparently they raised quite a bit of money to provide a defibrillator at Lyme Regis recently and they have some money left over so we might be able to use some of that but we'll have to wait and

see. In the meantime Dan will meet with them on the beach and see where it would be best to put it."

The debate on whether the village should have a defibrillator on the beach was re-ignited by the recent death of the great Beer character Robbie Driver, who suffered a massive heart attack while out sailing his beloved Luggar.

There are currently two defibrillators in the village, with one located at Pecorama and the other in the Dolphin Hotel.

It was conceded that the presence of a defibrillator in The Dolphin, which is on Fore Street in the heart of the village, was little known and that moves to publicise that better should be taken.

The move to provide a defibrillator on the beach was also supported by the Beer Coastguard.

# Tribute to the Band of Brothers

TWELVE Honiton residents took part in the inaugural 'Currahee Speed March' to promote The Nissen Hut Heritage Centre at Upottery airfield.

Alan Rowe MBE, founder of forces' charity Baton, spearheaded the march across the undulating Devon countryside accompanied by other supporters of their cause and Royal Marine PTI Sgt Robbie Garthland.

The group carried a baton to the South West Airfields Trust Nissen Hut Museum at Upottery airbase, which is dedicated to the USA forces who trained there for the Normandy invasion - namely the 506th Parachute Infantry Regiment of the 101st Airborne Division, who featured in the Steven Spielberg produced TV show *Band Of Brothers*.

The march up Currahee Mountain in Stephens County, Georgia, was featured in the first episode of the series.

Alan described the event as a "superb effort" from those who participated and thanked others for their help.

He said: "Our grateful thanks to Baton stalwart Dave Vaughn who came straight from his night shift to take photos of the event, Land Rover Experience for supplying the safety cars driven by 'Minty' Steve Murrell and Lewis Strawbridge, and to Devon Free-wheelers rider, John Conway, for keeping the teams safe on the road."

To give a really authentic feel to the occasion, the team was followed to the museum by Alec and Michelle Small in their World War Two ambulance.

# Minster Challenge returns

AXE Valley Community College's fourth annual Minster Challenge saw almost 200 runners battle it out in one of three races.

In terms of entertainment, the runners and spectators enjoyed performances on campus from Karizma Majorettes and background music from the Axminster college's steel band.

The Minster Challenge was held on Sunday, October 4th and is fundraiser for the college.

A final figure is yet to be announced, but the organisers were closing in on the £1,500 mark two days after the race.

The main race, almost eight miles long over a multi-terrain course, was won by Arran Tocknell from Torbay AAC in a

# Conservation-themed U3A conference

MEMBERS of 27 southwest Universities of the Third Age (U3As) gathered for a regional conference in Sherborne on October 2nd, setting a record attendance with the help of two owls.

More than 150 people attended the conservation-themed event at the Digby Hall. Among those U3As represented at the conference were Bridport, Chard and Ilminster, Crewkerne, Dorchester and Weymouth and Portland.

Chris Sperring, of the Hawk and Owl Trust, who brought along the owls, warned that 59 per cent of British wildlife has declined in the past 40 years and 10 per cent faces imminent extinction. There is much that can be done, he suggested, such as leaving hedges and margins at the edge of fields, and scrub and brambles in woodlands and gardens.

Ian Caskie spoke about Isambard Kingdom Brunel's history-making steamship the SS Great Britain. Since its return to Bristol conservation projects have been undertaken to restore the ship and turn it into an attraction that brings in 200,000 visitors a year.

The conservation theme was completed by Gill Baker and Liz Bodley who worked at Greenway, the summer home of crime writer Agatha Christie, near Brixham, which was left to the National Trust about 10 years ago.

Regional Trustee Diana Holdsworth told the conference she was privileged to represent the best region in the country and looked forward to visiting as many of the U3As as possible in the South West.

## Glass talk at Seaton

AT their meeting on 7th October Seaton & District Probus enjoyed a humorous and enlightening presentation of glass-making through the ages. Many fine and valuable pieces, some of great antiquity, were passed to members for close examination. No breakages were reported and the membership were most appreciative of a absorbing talk.

The next meeting will be at 10am on October 21st at St. Gregory's Church Hall, starting with the AGM, after which members' photographs will be accepted for entry into the annual Club Photo Competition.

Prospective members welcome.

# Seaton man's wedding to air on BBC Three show tomorrow night

A LOCAL couple are to have their special day broadcast on television for the nation to see tomorrow evening, writes **LOTTIE WELCH**.

Kelly Lowry from Chard and David Clarke from Seaton, pictured below, will feature on BBC Three's *Don't Tell The Bride* tomorrow evening (Wednesday, October 14th) at 9pm.

The groom, David, who works as a scaffolding manager, has just three weeks and £12,000 to organise a wedding for his bride-to-be Kelly.

As a young girl, Kelly dreamed of being a dancer but her dreams were cut short by cancer, so she wanted a small intimate wedding with a few friends and family where, for a day, she could forget about her condition.

But David wanted a day with Kelly at the very centre of attention, celebrating the passion she had for dance by organising a huge 'flash mob' dance wedding in the middle of a shopping centre in front of hundreds of people.

Kelly said: "We both applied for the show in late 2014 with an application that rhymed. I guess that's what made us stand out from the 10,000 other couples that applied."

"The show was a rollercoaster of ups and downs – mentally exhausting!"

"You never realise until you are away from your partner how much they really mean to you, and how much you support each other."

"Obviously it wasn't a normal situation as there was no calls or texts, life as you have known it for the last

few years is gone. I didn't know what to do with myself although my house was super clean!"

"When we entered the show this didn't even enter our heads but in reality it proved so much more difficult especially having four young children to juggle too – we were certainly glad to see each other on the wedding day."

"The day for me was one of the best in my life. David said to me that he wanted to prove his love for me and make it something that I will cherish forever, and I will carry those memories in my heart and have the show forever. I'm a lucky lady."

Kelly went to look for her dream dress at Prima Dona Brides in Ilminster but David picked something different to the one she picked out.

The wedding was held in the Princesshay shopping centre in Exeter with the evening reception taking place at Axminster Guildhall.

Lucy Stead, Axminster Guildhall manager, said it was all arranged very quickly.

"BBC Three phoned us a week be-

Photo: BBC/Renegade/Leah Westlake

forehand and asked if we had the availability and were prepared to take part in the show," she said.

"We said 'yes' and about three days later the television crew, the groom and the best man came here to be shown around, asking about cost. They went away but called 24 hours later saying they wanted it."

Lucy also attended the wedding in Exeter before 150 people or so descended on the Guildhall.

She added: "From our point of view, it was really good publicity for both the Guildhall and the town."

"The highlight for us was probably how they decorated the main hall. They brought a professional company in and made it almost unrecognisable."

Of planning the wedding in just three weeks, David said: "It was quite a stressful time and my nan and uncle passed away during filming."

"It was an unbelievable experience which I managed to turn into a fundraising event to raise money for cancer as Kelly had it and my nan died of cancer as well. It was not an easy three weeks."

"We are having a big screening of the episode at our local pub, the Phoenix Hotel in Chard, and since it has been known we have featured on the programme we have been asked to be special guests at wedding conventions and even turn on the lights at Princesshay in Exeter."

Watch the couple's big day and the lead up on BBC Three tomorrow night at 9pm.

**TOM Boucher is the welfare committee chairman for Honiton and District Lions Club and is responsible for the distribution of club funds back into the community**

## ● GIVING away money, sounds easy...

Well you would think it's easy to spend money, true, it is when it's yours, but when it comes to distributing the funds raised by the Honiton and District Lions Club, you also have to think that it came from the community, and now it has to be placed back into the community.

## ● HOW much can the Lions give away?

Last year for the first time the Club raised £10,000 from the local community, who trust the Lions Club to make good use of the money. Before I can spend it, the fund raising group has to come up with all sorts of ideas to raise the money, from our August Annual Duck Race at the Otter Inn, our Classic Car and fun day on the town's charter Saturday in July and November BBQ at the Ottery St Mary Tar barrels. Plus a lot of smaller collection events in between.

## ● WHERE does the money come from?

The Club receives backing from not only from the local community, but from the Local business Community and support from Colin Wright at the Chamber of Commerce in Honiton, and Ottery St Mary town. This has proved very useful when we need to seek advice or purchase items, from white goods to carpets.

## ● HOW do you decide who gets the money?

Today we receive 90% of our requests via the Clubs web site, from the police, local social services, sports clubs, smaller charities as well as for specific projects. During these times of cutbacks in local government / social services, the Club can move fast and without all the cumbersome paperwork that can be required for the simplest of items.

## ● WHAT things can be bought with the money?

The Club has purchased everything this year from an upright armchair, assisting the local swimming and Gymnastics Club to purchasing items for their clubs, through to a defibrillator for the Devon Freewheelers ('blood bikes') based here in Honiton, for a fast-response bike serving the local area.

## ● HOW does the process work?

Once we receive a request it is "normally" distributed to the welfare committee for scrutiny. Following that the committee recommend that we investigate. This is where I have to get out

**60 seconds**

and about meeting the groups / persons concerned, investigating cost via internet for example, and then reporting back to our committee. If I get the "OK" the Club members give me the authority to spend. Sometimes the Club does get an urgent request, then its phone calls all round to get the go ahead, sometime we can do this in 24 to 48 hours.

## ● IS it an enjoyable task?

You could say that, you know you are going to solve a problem for someone who was looking for a solution. To call or visit the person / club or group and say it's all agreed and the Lions will deliver – asking when can we deliver or assist in the purchase of the item(s).

At the end of the day the reaction and thanks makes it all worthwhile, but none of this would happen if it were not for the generosity of people in Honiton and Ottery St Mary.

## Please tell us who you are and what you do.

My name is Claudiu Vasile Turdeanu and I am the head chef at the soon to open restaurant at Cranberries Luxury Hideaway.

## Where did your love of food come from?

My love of food came because of my mother. She used to say to me that if I didn't like what she was cooking for me then I was to cook it for myself. Which is exactly what I did.

## Why did you want to become a chef?

I became a chef to learn the chemistry and skills required for the career I wanted to follow. My main drive was to make people happy by eating the food that was prepared by me. I enjoy it just as much now as I did when my mother told me to cook my own food!

## You worked in Italy for 11 ½ years, what was that like?

Italy is a truly amazing country. My time there was amazing and a true adventure. The experiences I had have truly changed my life. I worked in a Hotel's kitchen. It was a very complex kitchen and there was a large team to control, we averaged between 500 to 1000 covers per day!

## Meet the Chef...

**Claudiu Vasile Turdeanu**

## How important is it that the food be locally sourced?

Local food is so important to my cooking. I like to work in close contact with the local farmers and food producers to get the best quality produce and to sustain and help local businesses. I don't think there is any other way to run a restaurant without using local and seasonal ingredients.

## Tell us about the Vegetarian and Vegan menu?

Vegetarian food is the basis of every meal and is a much neglected and so many restaurants just serve risotto. My experience in Italy has provided me with knowledge to prepare exciting and different vegetarian and vegan food, and using locally sourced vegetables, it will taste delicious as well. That doesn't mean we are ignoring the meat, though!

## What would be your perfect meal?

My perfect meal is Seafood any seafood! And now that I live close to the coast, I intend to indulge in my passion!

## Eagerly awaiting the move to new facilities

ILMINSTER Town Football Club have expressed their hopes to move into its eagerly awaited new facility by the beginning of next season as work on the brand new pavilion has begun.

Early last week the first preparations were made, with fencing going up around the Britten's Field site ready for the 30-week work programme which includes a new football pitch, floodlights and clubhouse for the team to enjoy.

Ilminster Town Council officially signed off the project two weeks ago, which has been funded by grants from the

Premier League and Football Association Facilities fund, the Football Stadium Improvement Fund, Sport England and section 106 funding from South Somerset District Council.

Club chairman Darren Manley has expressed his joy at the commencement of work on the new pavilion: "We're very happy. It's been a long time coming but work has finally started and it's a very exciting time for the club. We're planning for it to be a 30 week project, give or take a week or so for weather, but everything is in place and hopefully we'll be using it by the start of next season."

"We've already moved the pitch in Britten's Field to where it will be when it's finally finished, but we want the work to be finished by next summer to allow us to move there as soon as possible"

Mr Manley also voiced his gratitude for the role that the local community has had in helping to make the vision of the club a reality, and stressed that the pavilion will be central to all aspects of community life once the project is completed: "This facility won't just be for us as a football club. It will be for the whole of Ilminster, and it is a hall that can be used by the community. We'll be looking to hire it out for family parties."

"We've had community groups that have already shown an interest in it due to the parking that we'll have there, and

we really want to promote the fact that this will be something that the whole of the town can use. We are a community standard chartered club. We run teams for men and women, boys and girls, and for all ages."

"We are a proper community club and we could not have achieved this facility without the support of the people of Ilminster, supporters of the club, the town council and local businesses. Their support has been amazing and this dream has really taken off in the last three months because the community has really rallied behind us."

"I'll be honest, there were a couple of times when I thought that it wasn't going to take shape, but now that everything has been signed and the work is about to start, I couldn't be happier."

## Buy A Brick Campaign reaches £7,750

ILMINSTER Town Football Club's Buy A Brick scheme has reached a new milestone. The Idea behind the scheme is that the Ilminster community can literally leave their mark on the town's new building, as their names will be etched into the history of the club's new pavilion.

The Buy A Brick initiative was launched by Ilminster Town in April of this year, giving residents and businesses alike the chance to pay up to £50 to be included on the walls of the new facility.

Ilminster Town's chairman Darren Manley said: "The support has been fantastic."

We've had supporters of the club, businesses and local residents buy up bricks, and it's great to see them all getting behind the project.

We've now gone through the £7,750 mark and as a club we can't thank everyone who bought a brick

enough."

These uniquely engraved bricks will be placed in a specifically

dedicated wall within the new sports facility.

## The Manor House

THE Manor House Care Home is run as a small family home with the emphasis on the provision of quality individual care in a comfortable, safe and cheerful environment. The organisation and management of the home are the means to achieve that end.

Dr. S.H. and Mrs. S.E.C. Curry have owned, managed and resided at The Manor House since April 1996.

Dr. Curry is a chartered psychologist with many years experience dealing with the rehabilitation of brain-injured individuals, whilst Mrs. Curry is an RGN with many years of specialist practice. Her experiences as ward Sister have been invaluable training in the management of staff and resources.

The Manor Houses latest Care Quality Commission inspection report was rated as a 3 Star or Excellent Care Service. The Manor House is a private residential care home which strives to provide the highest standard of care and permanent accommodation for 15 elderly individuals.

At The Manor House it is their aim to provide individual care in a comfortable, safe and cheerful environment where residents' individuality, privacy, dignity and freedom are respected.

At any point in time The Manor House will have between 14 and 18 members of staff additional to the proprietors. The proprietors fully recognize the crucial role that staff play in the welfare of the residents and therefore have had a long-standing commitment to continuous staff development and training. This is evidenced by the high level of staff qualification.

Please visit our website, where you will find all the information you need to determine if our home would be suitable for you or your relative. However, if you feel you need any additional information about any aspect of life in our home, please feel free to contact us at any time.

If you are able, we would like you to visit so we can show you what our home has to offer you or your relative.

## Oak Lodge Care Home

### Dignity is a basic human right, not an optional extra

PHYSICAL comfort is just one measure of quality of lifestyle. Your needs, your preferences, and your well-being are what come first at Oak Lodge. The house is registered to provide personal and nursing care for older people, with a very successful, separate area dedicated for the provision of specialist dementia care. Twenty-four hour cover is provided by a qualified, experienced and committed care team. They have recently been individually recognised as a company and a home, for their high standards and attention to detail that differentiates Oak Lodge from other homes. Oak Lodge isn't just a place to stay, but a place to call home.

At Oak Lodge we believe that another important aspect of maintaining our high standard of accommodation is redecoration when it is needed. Many of our rooms have been refreshed in recent months, including our new quiet room. This is a beautifully decorated lounge area with views of the garden where residents may spend time with visiting loved one, or simply relax.

Staff at Oak Lodge are also supporting the national initiative of Dignity Champions. A Dignity Champion is someone who believes passionately that being treated with dignity is a basic human right, not an optional extra. They believe that care services must be compassionate, person centred, as well as efficient, and are willing to try to do something to achieve this.

Please don't hesitate to call for advice, or for an information pack, with no commitment necessary. Our telephone number is 01460 67258.

## Keeping your home warm as temperatures drop

LOW temperatures increase the risk of flu and other respiratory problems and can raise blood pressure. Blood pressure takes longer to return to normal in older people after being out in the cold and this puts us at greater risk of heart attacks and strokes. The colder your home, the higher the risk to your health.

64°F (18°C) is the ideal temperature for your bedroom and 70°F (21°C) is the ideal temperature for your living room. Check your thermostat or use a room thermometer to monitor temperature but if you feel cold, turn the heat up regardless of what the thermometer reads.

Get to know how the timer and thermostat on your heating system work. If you have individual thermostats on your radiators, make sure they're set at the right temperature in the rooms where you spend time.

Close the curtains at dusk and fit thermal linings if you can. This will keep the heat in.

Put guards on open fires, and be careful not to hang washing too close to the fire.

Don't block up air vents, as fires and heaters need ventilation.

Test your carbon monoxide alarms. If you don't have any alarms, you need to get one fitted in each room that has a gas appliance, as there's a risk of carbon monoxide poisoning if air vents become blocked.

Contact your local Age UK for a benefits check and advice on any financial support you may be eligible for.

### Keeping warm indoors and out

You're at risk of a heart attack, a stroke or even hypothermia if you're exposed to a cold environment for a long time, or to extreme cold for only a short time.

It's a common misconception that sleeping with the window open is good for your health. In fact breathing in cold air can increase the risk of chest infections. That's why it's important to always shut your bedroom window at night.

Make sure you keep your hands and face warm. As well as wearing gloves and a hat, always wrap a scarf around your face when you go out in cold weather. This helps to warm the air you breathe.

Several thin layers of clothing will keep you warmer than one thick layer, as the layers trap warm air. Clothes made from wool or fleecy synthetic fibres such as polyester are a better choice than cotton. Start with thermal underwear, warm tights or socks.

If you're sitting down, a shawl or blanket will provide a lot of warmth. Try to keep your feet up, as the air is cooler at ground level.

Wear warm clothes in bed. When very cold, wear thermal underwear, bed socks and even a hat – a lot of heat is lost through your head.

Use a hot-water bottle or an electric blanket to warm the bed, but never use the two together as this can be dangerous. Check whether your electric blanket can be kept on all night or whether it's only designed to warm the bed before you get in. Get it checked every three years by an expert. If you have continence difficulties, talk to your doctor before using one.

Don't sit or stand outside for long periods, as you'll quickly get cold.

Keep your feet warm. Choose boots with non-slip soles and a warm lining, or wear thermal socks.

For more information about keeping warm this winter, take a look at our free information guide <http://www.ageuk.org.uk/health-wellbeing/keeping-your-body-healthy/winter-wrapped-up/keeping-warm/>

## Willetts proves another Wurlitzer success

EVERY show in the 2015 Beer Wurlitzer programme has been a musical delight – the show on Saturday, October 10th, was no exception when Damon Willetts played for the first time at Beer. Damon told the audience that he had visited Beer in 2009 at the start of the Wurlitzer's restoration. He said "It is now a great pleasure to play this small but sweet organ, the team have done a wonderful job with their restoration."

His thoughtful programme of popular and light music, which he felt matched perfectly with the Wurlitzer, included medleys by Ivor Novello and Cole Porter. He also pleased the audience with his excellent piano interludes. Damon started playing the piano when he was aged 6 and it was when he was 17 that he was offered the opportunity to play the

Christie organ at the Majestic Cinema in Cradley Heath. He has been performing in concerts since 2002, is the proud owner of a Compton pipe organ and is secretary of the Midlands and Wales District of the Cinema Organ Society. He undoubtedly has a passion for all aspects of the world of theatre organs.

The final event in the 2015 Wurlitzer programme will be on Saturday, November 28th, at the Congregational Church, Fore Street, Beer, when the popular Matthew Bason will return to present his one-man music show. Everyone is most welcome, it will be a fun afternoon - admittance is £7.00 on the door, to include interval refreshments, children under 16 are free. For further information phone 01297 24892 or visit the website at [www.beerwurlitzer.org.uk](http://www.beerwurlitzer.org.uk).

The concert will also include performances by the 'Isle Valley Singers', a local choir drawn from members of Ilminster's 'Serenade' choir and Isle Abbots choir under the direction of David Sutcliffe. They will be singing contemporary and traditional songs.

Also performing at the concert will be local young singing talent Courteney Yeoell. Courteney is gaining much acclaim for her fine singing which covers a wide range of genres.

## How to Change the World

THE GATEWAY will show the documentary film 'How to Change the World' on Tuesday, October 27th.

In 1971 a small group of activists set sail from Vancouver, Canada in an old fishing boat. Their mission was to stop Nixon's atomic bomb tests in Amchitka, a tiny island off the west coast of Alaska. It was from these humble but brave beginnings that Greenpeace was born. Chronicling the untold story behind the modern environmental movement and with access to dramatic archive footage that has not been seen for over 40 years, the film tells the fascinating story of eco-hero Robert Hunter and his part in the creation of what we now know as the global organisation that is Greenpeace. Alongside a group of like-minded and idealistic young friends in the 70s, Hunter would be instrumental in altering the way we now look at the world and our place within it. Certificate 15

Doors Open 6.30pm Performance 7pm. Tickets £10 in advance £12.50 on door, available from online ticket shop or The Gateway Box Office 01297 625699. Please note online ticket sales incur a 50p surcharge.

# Sitar, spice and all things nice

THE SOUNDS and flavours of India come to Ilminster on Friday, October 23rd when the Arts Centre welcomes virtuoso sitar player Ricky Romain and percussionist Jon Sterckx, who plays tabla, a type of Indian drums.

For this, their third visit to the Arts Centre, Ricky and Jon will present a mesmerising evening of Indian classical music, North Indian Rag and Taal.

Performing together as 'Samswara', Ricky and Jon's dynamic performances range from slow, meditative melodies through to fast and detailed rhythmic interplay. The name of their duo combines two important aspects of Indian music, 'sam', being the first beat of a taal, or rhythmic cycle, around which the musicians weave their improvisations,

passing the music between them. 'Svara' are the notes of the Indian musical scale. The literal translation is 'self-shining forth' and a strong feature of Indian music is of the performers bringing the music to life in the moment through spontaneous musical expression.

Complementing the music, a delicious pre-show curry will be served, followed by a dessert and coffee. In previous years these events have sold out, so advance booking is strongly recommended.

Tickets are £12, and a pre-show supper is available for £12 (must be booked in advance). For more details or to book visit [www.themeetinghouse.org.uk](http://www.themeetinghouse.org.uk) or call 01460 54973.

# Dining out *in East Devon & South Somerset*

## The Kingfisher Inn

Free House

Dolphin Street, Colyton

**T**HANKFULLY a few proper old taverns still exist – and The Kingfisher in Colyton is among the very best of them.

The visitor looking for an unspoilt, traditional Devon pub where the hospitality is hearty need look no further than this 16th Century inn, easily found in the centre of the town. It's exactly like an old pub should be – traditional roasts on Sundays, meat raffles in the bar every Saturday, CAMRA-rated honest local ales, a beautiful beer garden and a rare place where you can still play skittles, darts and crib.

The Kingfisher is also the friendly home to great British pub grub – fish and chips that are said to be the best in the area, steak and kidney pie, chicken and leek pie, whitebait, stuffed mushrooms, baked salmon, sirloin steak, scampi, egg and chips and raspberry and

apple pie are among the choices that are all freshly-homemade and come in large portions.

It is a popular spot with walkers and rave reviews of the welcome at The Kingfisher have come from as far as California. Typical is the thumbs-up from a recent visitor from Birmingham, who wrote: "It's been a long time since we enjoyed a simple, well-cooked pub meal and this pub does the job. We had scampi, chips, peas and salad and ham, egg, chips and peas and our meals were thoroughly enjoyable. The food was well presented – no attempts to be a gastropub or anything fancy, just good, wholesome pub grub. We cleared our plates and we just wish that this pub was our local! We will definitely be back."

A great find, a little Devon treasure and highly-recommended by all its patrons.

# Getting Ready For Winter

A 4 page guide for getting your  
home and vehicle ready  
for the Winter months in  
East Devon, West Dorset & South Somerset

**When was the last time you had your roof & gutters checked?**

IF, like most people, you can't remember, then now might be the time to get around to it.

Even though they're "out of sight and out of mind" for the majority of the time, your roof & gutters actually play a huge role in the structural integrity of your house, and keeping them clean is a great way to avoid the potentially costly expense of repairs.

Gutters have one job: to guide rainwater off your roof and straight down the drain. Despite their importance, not only could you end up with structural damage, the resulting damp can cause health issues for you and your family.

Most jobs around the exterior of your house require high access and with an increased emphasis on safety, and more stringent government laws regarding Working at Height Regulations depicted by the HSE, we have all the right equipment to carry out these works. In 2012 we purchased a 20 meter High Access Cherry Picker and a 12 meter Telehandler. Both of which operators are available for hire with one of our fully trained operatives. Every roofing job presents the challenge of accessing the work area safely. In addition to this, we have recently expanded our company to include a new scaffolding division for the jobs too big for the cherry picker. After working closely over the past two years with a local scaffold firm, O'Brien's have now incorporated them under their own umbrella. With over 20 years' experience and trained to an advanced level, Daniel's cousin, Peter Lewis has joined the team to run the division, and we are pleased to be able to offer the facility of our own scaffolding system. This not only saves you money but also our highly trained and experienced team can erect and dismantle scaffold to time scales that suit your needs and to a high standard. We issue a completion certificate as well as a Scaff Tagg for each completed scaffold.

### IMMACULATE SPACIOUS BUNGALOW FOR SALE IN THE SOUGHT AFTER VILLAGE OF COLYFORD

3 Bedrooms: 2 Bathrooms: Sitting Room: Dining Room: Kitchen Breakfast Room through to large Utility area: Offroad parking for 2 cars: Delightful gardens with vegetable patch: Gas fired Central Heating: Double glazing throughout.

Springbank is a superb 3 bedroom detached bungalow situated in the village of Colyford located in an Area of Outstanding Natural Beauty. Colyford sits on the A3052 midway between Lyme Regis and Sidmouth and one mile from the Jurassic Coast at Seaton.

Colyford is a thriving Devon village with a superb butcher shop, deli, post office, two public houses and

a restaurant. Within the village is Colyton Grammar School which is one of England's top co-educational state schools. The market town of Axminster lies about 5 1/2 miles to the north with a main line rail link to London Waterloo.

The property is brick built with part rendered exterior elevations under a tile roof and has the benefit of

double glazing throughout. The current owners have meticulously cared for the property during their 28 years of ownership. The property has gas fired central heating, new carpets and quality flooring throughout.

Springbank offers versatile accommodation comprising of 3 good sized bedrooms, a lovely dual aspect sitting room with bay window, 2 bathrooms (one with a shower and one with a bath) and a larger than average kitchen breakfast room. There is also a useful utility room of a good size.

The property is approached from Stafford Lane, a quiet road which passes the Colyton Grammar School between Colyford and Colyton. The entrance driveway provides parking for 2 vehicles. The property has well kept gardens which surround the house with level lawns and separate vegetable beds. Within the grounds is a wooden shed area which provides a useful storage space.

#### WHAT THE VENDORS SAY

"We have been very happy at Springbank for the past 28 years. What drew us to Springbank was that it is a spacious bungalow on a quiet road with large gardens to the front and rear. We can easily walk to the amenities of Colyford and we are lucky to have one of the best grammar schools in the UK nearby."

#### THE HAWKSBRIDGE VIEW

"Springbank is an impeccable property, a perfect example of a bungalow home. For a buyer there is absolutely nothing to do, with neutral decor and quality fixtures and fittings throughout. The gardens are lovely for entertaining friends and family and Colyford is a highly sought after village."

We would highly recommend viewing this property.

## SPOTLIGHT

### SPOTLIGHT ON MY SERVICE

### Kim Beauchamp Foot Health Practitioner

I moved to Axminster in 2013 and already have a well established mobile foot care clinic, offering a consultation and treatment service for foot health problems. I visit patients in their own homes as well as nursing/residential homes, which provides a convenient and flexible service especially for those with less mobility. My initial visit includes a full medical history overview, foot health assessment, professional foot advice and treatment.

My aim is to provide my patients with a professional and friendly service ensuring that the highest standards of hygiene are maintained at all times. I work with each patient on a foot health treatment plan to achieve and maintain healthy and pain free feet.

Conditions where treatment and advice is available range from:

- Corns and calluses
- Fungal foot and nail infections
- Verrucae
- Cracked heels
- Ingrown toenails
- Ball of foot pain
- Diabetic foot care
- Footwear advice

Whether you require a one-off treatment or foot care attention on a regular basis I can be contacted on 07926 093053 or 01460 221806.

## First deliveries of new '308 GTi by Peugeot Sport

REMEMBER, remember the fifth of November... because the iconic PEUGEOT GTi badge is returning to the medium car segment for the first time since the 1990s, and all is set for a thrilling performance. One of the most eagerly-anticipated new model launches of 2015, the 308 GTi by PEUGEOT SPORT is a high-end performance 'hot hatch' designed with the sophisticated and enthusiastic driver in mind.

Launched as a high-performance model for the 308 range – itself winner of the prestigious 2014 European Car of the Year – the 308 GTi has been extensively developed by PEUGEOT SPORT – the Brand's in-house team of motor sport engineers that boasts a wealth of expertise and success in the performance road car and international competition fields. The 308 GTi is the fourth road car project in three years following the critically ac-

claimed RCZ R, 208 GTi 30th and 208 GTi by PEUGEOT SPORT.

The letters GTi only ever feature on PEUGEOT products with the highest performance. An acronym of Grand Tourer Injection, it's a badge which has become shorthand for the hot hatch segment – a sector in which PEUGEOT has more than played its part. Products such as the 205 GTi and 309 GTi have acquired near-classic status in the decades since launch, and remain hugely popular with owners who appreciate their exceptional dynamic performance.

The 308 GTi continues in the same vein. Due to the dedication of the PEUGEOT SPORT team, the GTi offers customers a striking new interpretation of the 308's sleek exterior design, enhanced sports-oriented interior detailing and an unparalleled driving experience with

strong desirability and following.

Powered by the most-powerful engine of its size, the state-of-the-art 1.6-litre THP petrol engine with Stop&Start (S&S) technology is available in two power outputs – 250hp and 270hp – with both providing impressive performance; limited to 155mph. Even the environmental credentials are class-leading, with CO2 emissions at just 139g/km, while official Combined Cycle fuel economy is 47.0mpg.

With both models weighing in at just 1205kg this enables the 308 GTi 250 to sprint to 62mph in just 6.2 seconds, with a power-to-weight ratio of just 4.82kg/hp. The 308 GTi 270 sets a new segment record for power-to-weight – at just 4.46kg/hp – and reaches 62mph in a mere 6.0 seconds flat.

Key to the appeal of the 270 GTi is its Torsen® limited-slip differential, fitted as standard. Designed to improve cornering by channeling the torque to the wheel with the greatest traction, it also makes it possible to drive faster around corners and enhance grip and handling.

The 270 GTi is also equipped with 2.3kg lighter 19" 'Carbone' lightweight alloy wheels shod with the latest Michelin Pilot Super Sport tyres. The design showcases the highly-capable 380mm ventilated front brake discs with solid red four-piston PEUGEOT SPORT sig-

nature calipers.

The 308 GTi boasts purposeful new styling, sitting 11mm lower to the ground than its siblings. Aggressive new front and rear design elements have been added, with six distinctive exterior colours available – new Ultimate Red, Pearlescent White, Magnetic Blue, Nera Black, Cumulus Grey and Hurricane Grey. For the most eye-catching look, a 'Coupe Franche' two-tone design is exclusive to the 308 GTi 270, contrasting Ultimate Red with Nera Black.

The interior has been carefully specified to complement the 308 GTi's exterior, subtly emphasising its sporting credentials. The door sill carries the PEUGEOT SPORT and GTi signature, while the foot pedals, foot rest and gear knob are finished in aluminum. Red stitching features on the upholstery, door panels, gear lever and premium floor mats. The GTi 270 features PEUGEOT SPORT race-inspired seats, upholstered in leather effect and Alcantara, which provide enhanced lateral support.

The compact steering wheel – an integral part of the 308's acclaimed PEUGEOT i-Cockpit cabin design – provides natural grip and precise direction. It features full-grain leather with a GTi logo at the base and a red centring mark at the top. The head-up display instrument panel read-outs has a chequered backdrop, and a GTi greets the driver on start-up.

## More efficient and with greater sprinting power

▲ Porsche 911 Carrera 4

A SPORTS car with all-wheel drive is the first choice for more than one in three Porsche 911 buyers. With the new 911 Carrera 4 and 911 Targa 4, the innovative turbocharged engines are more powerful and consume less, with the improved all-wheel drive increasing dynamics and driving safety. In addition, the adaptive PASM chassis (Porsche Active Suspension Management) with its 10-millimetre lower ride height included as standard enables an even greater spread between sporty circuit and relaxed long-distance driving. Rear-axle steering that is available as an option for the Carrera 4 models further increases the dynamic spectrum considerably. Interior func-

tionality is enhanced by the standard-feature Porsche Communication (PCM) connectivity and infotainment system with simplified operation and multi-touch display.

The all-wheel drive models not only include the numerous visual refinements of the new 911 Carrera generation but also have their own individual distinguishing characteristics. For instance, the light strip between the rear lights now produces an especially distinctive effect thanks to its new three-dimensional design. The light strip also underlines the signature look of the all-wheel drive 911, with rear wings that arch further outwards by 44-millimetres, as in previous models. Additional distinguishing

features of the new 911 generation range from the headlights with four-point daytime running lights, via door handles without recess covers, to the redesigned rear lid with vertical louvres and new rear lights – including the characteristic four-point brake lights.

New developments in the visual appearance also underline the sophisticated elegance of the 911 Targa. With its individual design, the new 911 Targa continues to stand out clearly from the coupé and cabriolet. It spectacularly combines the classic Targa idea with advanced roof convenience. Like the legendary original Targa, it has the characteristic wide bar in place of B-pillars, a removable roof section over the front seats and a wrap-around rear window without C-pillars. The roof segment can be opened and closed at the push of a button, with the soft top being accommodated behind the rear seats as it opens.

### Faster acceleration with up to 12 per cent lower fuel consumption

Behind the re-engineered flat engines are more than four decades of Porsche experience with turbocharged engines from motor racing and production sports car. The result is that all new 911 Carrera models impress with top values in terms of performance, driving fun and efficiency. Thanks to bi-turbocharging, the three-litre, six-cylinder engines in the 911 Carrera 4 and 911 Targa 4 achieve an output of 370 hp (272 kW) and a torque of 450 Nm, while output in the S

models increases to 420 hp (309 kW) and torque to 500 Nm. This gives the driver an added bonus of 20 hp (15 kW) to convert into driving fun. The greater power of the Carrera S models comes from turbochargers with modified compressors, a specific exhaust system and tuned engine management.

In combination with the now electro-hydraulically controlled all-wheel drive, the 911 Carrera 4 for the first time even achieves better acceleration values than its rear-wheel-drive counterparts. Equipped with the options of PDK and Sport Chrono package, the 911 Carrera 4 sprints from zero to 62 mph in 4.1 seconds (0.4 seconds less than its predecessor model), with the S

model registering 3.8 seconds (0.3 seconds less). The cabriolet S and the 911 Targa 4 with comparable equipment need just 0.2 seconds longer – the time it takes to blink. Top speeds vary according to model and equipment between 178 mph and 189 mph.

Traditionally, every new generation of engines from Porsche combines more output with less consumption. Consequently, fuel consumption in the 911 Carrera 4 Cabriolet with PDK rises to a combined 36 mpg (previously 32.5 mpg). The models with the most significant improvements are the 911 Carrera S Cabriolet and 911 Targa 4S, each with PDK, in which average consumption rises to a combined 35 mpg (previously 30.7 mpg).

# All-New Hyundai Tucson

HYUNDAI Motor's new compact SUV, the All-New Tucson, received the maximum five-star safety rating from independent vehicle assessment organisation, Euro NCAP. The result underlines the benefits of Hyundai's approach to democratise technology and safety features across its vehicle range.

Thomas Schmid, Chief Operating Officer of Hyundai Motor Europe, commented, "The All-New Tucson introduces a wide array of new safety technologies, such as Autonomous Emergency Braking, at an accessible price. The five-star rating from Euro NCAP is further evidence that quality and safety are built into our new cars."

## All-New Tucson offers new active and passive safety features

The Euro NCAP test findings demonstrate that the All-New Tucson is one of the safest and most comprehensively equipped vehicles in its segment. Hyundai's use of the latest active safety technologies enhances the car's impressive safety results.

While only the Lane Keeping Assist System and the Speed Limit Information Function were taken into account by Euro NCAP, the All-New Tucson is equipped with a host of other safety features to help avoid and minimise the severity of accidents.

Among them is the Autonomous Emer-

gency Braking system, which alerts the driver to unexpected emergency situations, braking autonomously if required. Blind Spot Detector, Rear-Cross Traffic Alert and Vehicle Stability Management complete the comprehensive active safety package.

For increased pedestrian safety, the All-New Tucson is equipped with an Active Hood System as standard, which raises the vehicle's hood to cushion the impact shock in a frontal pedestrian collision. A new body shell structure now features 30% more advanced high strength steel, in-

creasing the car's torsional rigidity to offer greater impact resistance. Additionally, enhanced body connections enable better dissipation of collision energy - another factor that was central to the positive Euro NCAP test result.

The All-New Tucson is on sale now throughout Europe. Its bold design is complemented by a compelling package of technology, comfort and convenience features. It is set to build on Hyundai's success in the SUV segment: the company has sold more than 1.2 million SUVs in Europe.

## Some wheely good ideas for biking this Autumn

THIS week's tips, from the IAM's head of riding standards Peter Rodger are offering advice to motorcyclists about getting their bikes ready for autumn. Read our tips to find out how you can best prepare for the season.

It's that time of the year again when you need to get your waterproof overalls and gloves on. Hi-visibility clothing is important during the day, and reflective clothing is essential to wear when travelling in the dark.

Give your tyres a proper check beforehand. The tyre tread should be no less than 2mm in the winter, as opposed to the legal requirement of 1mm. Consider changing your tyres now, before road conditions become increasingly slippery.

The colder it is, the more work the battery has to do. Check your battery is fully charged and in a good condition beforehand - keep it protected against corrosion using solid Vaseline or paraffin. If your battery is not working properly, replace it now.

The cold weather can cause moisture to collect up in the electrical connections. Take time to spray them with an anti-corrosion product to keep them lubricated.

Check the front and rear brake fluid reservoir levels. If they're low top them up or consult your dealer. It's worth checking your brake pads too - if they are a near the wear limit then get them changed as

soon as possible.

Keep an anti-mist product with you when your helmet visor builds up with condensation - this will particularly come in handy in rain and foggy weather.

When riding through bad weather switch on your dipped headlights to help you see further ahead. Avoid using full beam as this will only dazzle other road users.

Riding in low sun will make it difficult to see ahead, be prepared to slow down and make sure you keep your eyes shaded using a visor helmet if you have one.

If road conditions are wet and slippery leave more distance between you and the vehicle in front of you. Ride at a steady pace and don't rush through pools of water as it will force your bike to lose traction.

Avoid riding through puddles as they might be concealing potholes. Keep an eye out for any of these hazards ahead and adjust your riding accordingly.

Peter said: "Motorcyclists need to especially make allowances for the arrival of autumn with only two wheels; anything that reduces your contact with the road requires your attention. Keep in complete control of your bike, think ahead, and you can enjoy a bracing autumn on two wheels."

# Local Sport – football round-up

by Howard Larcombe

## Extra time heartache for 10-man Tigers

### Seaton through to round two – Honiton back on top of Premier

#### Budleigh Salterton 3 Axminster Town 2 Devon Premier Cup R1

THE Tigers headed to Greenway Lane hoping to continue their fine recent form.

However Budleigh took the lead in the 26th minute but Ax were level eight minutes later when a long ball over the top by Brad-Lee Miller found Tony Pinder who coolly slotted home.

Axminster came out for the second half with vigour and Liam Cleal was denied with a near post shot. The game turned upside down when the Tigers' Chris Duchenski was shown a straight red card for what appeared to be a great last ditch tackle just outside the penalty area.

But this galvanised Ax and they looked more threatening and they were awarded a penalty for a clumsy challenge. Alex Wheatley stepped up only to fire the ball high and wide over the crossbar.

In extra time started Budleigh began to make use of the extra man and in the 95th minute only a fantastic goal-line clearance by Elliot Dyer kept them at bay. But it was only a matter of time before the hosts took the lead which they did half way into the first period.

With Axminster running on empty they somehow managed to produce an equaliser with an excellent header from substitute Adam Cowling.

Ben Clay was then clearly kicked by Budleigh's Greenslade off the ball but it was missed by the referee; the assistant flagged for a foul but the referee took no action much to the dismay of the away support.

With time ticking away Greenslade scored the winner with an excellent long range shot.

#### Axminster Town 2nds 4 Morchard Bishop 1 D&E Division 4

A SLOW start saw the home side go a goal behind after 10 minutes. After this they took complete control and raced into a 4 1 half time lead with goals from Gary Spiller (2), Harry Jobson and Oli Highet.

They continued to dominate the early play in the second half but squandered a number of chances.

They nearly paid the price as the visitors got back in the game with their second goal and an OG from Mike Russo then made for a nervous last ten minutes but Ax held on to secure all three points.

#### Wetheridge 3 Axminster Town 3rds 3 D&E Division 9

IN a hard fought end-to-end, game these two sides could not be separated.

The home side went one up after ten but he Tigers responded with a constant bombardment and soon equalised through Darran Whitehouse.

As the toing and froing continued in the second half the hosts went 2-1 up only for the away side to pull level with a good goal from Jean Paul Harris.

Unperturbed, the hosts took the lead for the third time which looked like it would be the winner.

But Axminster's fighting qualities came to the fore as they once again drew level through Elliot Bastin to extend their unbeaten run to eight games.

#### Beer Albion 1 St Martins 7

BEER were well beaten 7-1 by St Martins in their Devon Premier cup tie at the Furzebrake on Saturday.

The Saints sit at the top of South West Peninsula Division 1 East while the Fishermen are currently struggling at the foot of the Devon & Exeter Premier so there were no surprises with the result.

Beer started well and only a fingertip save from the St Martins' keeper prevented Richard Walker from giving his side an early lead.

The visitors then went ahead after 15 minutes. Beer came close to equalising with Walker again testing the keeper on 25 minutes but the visitors increased their lead a minute later with a looping header.

Then they went 3-0 up after 34 minutes with another header this time from a corner. To their credit Beer did continue to create chances the best of which fell to hard-working striker Seth Wakely but he sliced wide.

After the break Beer had their best spell of the match and pulled it back to 3-1 when James Melville rounded the keeper to slot the ball home after good work by Walker and Wakely on 47 minutes.

St Martins responded quickly to go 4-1 in front and then took full control to score three late goals to complete the rout.

Walker, Wakely, Melville and Joe Adkin worked hard for Beer but honest endeavour was never going to be enough against their excellent opponents.

#### Uplyme 1 Millway Rise 3

SATURDAY's local derby at Venlake saw Millway Rise take the lead when a deft pass from Sam Turner put Levi Hoole through to net his 16th goal of the season.

After 25 minutes an Alex Rocket strike put the visitors two up but did nothing to enliven a scrappy first half.

Millway clinched the game with a good strike from Nathan Wormesley in the 80th minute.

Uplyme kept pressing and were rewarded with a James Beddows goal in the 86th minute.

For Millway Matty and Hayden Lewis were strong in the back four and Tyler Warren showed some clever touches in midfield.

#### Round-up with Collin Goodwin

SEATON TOWN are through to round two of the Devon Premier Cup after winning 3-2, after extra time, against CLYST VALLEY, with Glenn Gould, Mark Perham and Martyn Hancock scoring.

But it was a dismal day for the other East Devon teams. A depleted FENITON crashed out 5-0 at CREDITON UNITED; SIDBURY UNITED were beaten 3-1 at NEWTON ABBOT SPURS; and BEER ALBION went down 7-1 at home to ST MARTINS. The tie between ELMORE and HEAVITREE UNITED was abandoned after 82 minutes with the score at 1-1. The Eagles had two players and then their linesman sent off, and the referee called proceedings to a halt.

HONITON TOWN took advantage of the cup ties to go up of the Premier by thumping WILAND ROVERS 8-2.

Lewis Couch (3), Tom Perryman, (2), Joe Mulhall, Tim Genders and Henry Smith had the Honiton goals.

HEMYOCK sprang a surprise winning 3-2 at First Division HEAVITREE with Alex Clist scoring twice and Josh Essex once. UPOTTERY got the better of BUDLEIGH SALTERTON 1-0, thanks to an 88th-minute Joey Jones goal.

K&M POLONIA enjoyed a 6-1 win against a depleted BEER ALBION in the Intermediate Cup. Kev Pitt scored twice for OTTERTON who also had to battle grimly to see off UPOTTERY 2-1. WINCHESTER won their city derby against CENTRAL, 3-2, a result emulated by NEWTON ST CYRES at OFFWELL RANGERS.

Two goals from Steve Batey and a single from Joe Bond earned LYME REGIS three points after they beat Halwill 3-2 in the Division Two clash at the Davey Fort.

In Division Three AXMOUTH UNITED wrecked the UNIVERSITY'S 100 per cent record thanks to a Matt Ellis double in a 2-0 win.

In Division Five, UPLOWMAN ATHLETIC won a cracking match against HATHERLEIGH, 6-3, Chris White showing the way with a hat-trick after Hatherleigh led 3-1. In Division Seven

Darren Heale struck a hat-trick for leaders TIVVY PARK RANGERS but they had to settle for a 3-3 draw with COLYTON.

BRADNINCH won 4-1 against SEATON TOWN with Dan Morris, Shane Williams, Jack Grandfield and John King sharing the goals.

AFTER more two years of trying AMORY GREEN ROVERS have finally claimed their first-ever victory.

The Tiverton team triumphed 3-1 at MILLWEY RISE Reserves in Division Nine with Matt Beechy netting the Millwey consolation.

## hockey chard

## Chard A 0 Chard B 1

IT is five seasons since Chard 2nd and 3rd XIs faced one another in a league fixture and it was the 3rds who took the points despite the 2nds having the lion's share of possession and more scoring opportunities.

The 2nds got into their stride first and had the momentum going forward but could not find the accuracy with the final pass to convert their superiority into a goal.

Midway through the first half, with a rare foray into the other half, the 3rds were awarded a free hit just inside the 22 metre line. A pass out to winger Durgan Cooper who crossed back into the D for Duncan Lewis to sweep the ball into the net.

The second half saw the 2nds again having more of the ball but the 3rds dogged defence and ability to relieve pressure with sporadic counter attacks was aided by their rotation of their squad of 14, youngsters Ryan Lewis, James and Tom Float all performing well.

Ultimately the result swung on the performance of 3rd XI keeper Grahame Johnson who was in inspired form.

## CRICKET St THOMAS

with Bert Robinson

THE annual Cyder Cup competition was played during the week. This is a tournament whereby the Vice Captain challenges the Captain in a team game played over three days.

With Monday washed out Wednesday's four ball better ball commenced with the match at all square.

Captain John McOmish and partner secured a 2&1 win over Nick Hill & Paul England. A disastrous run of five consecutive losses put the Captain's team well behind.

A win, a loss and a half salvaged something for the day, but at the close, the Captain was down 6 1/2 - 21/2.

Results: John McOmish & Barry Singleton beat Nick Hill & Paul England 2&1, Geoff Dean & Phil Hunt lost to Bernie Skeels & Brian Marsh 5&4, Bob Barrow & Norman Markby lost to John Pearce & Keith Heath 2&1, Alan Chance & Keith Branchflower lost to Roger Stone & Trevor Dobson by 1 hole, Stuart Pope & Bert Robinson lost to Alan Davis & Alan Jones 3&1, Dick Hall & Bill Hilsen lost to Bryan Frost & Robin Flower by 1 hole, Nobby Hodder & John Wallis beat Andy Beale & Mike Dawson by 1 hole, George Willerton & Ed Paolini halved with Lindsey Gage & Ray Gudge, Ian Fielder & Mike Hone lost to Des Denning & Brian Hacking.

Twenty pairs took part in the Friday's singles leg. With the Captain four points behind some leeway was required in the early groups.

The portends were good as the first three games finished with

wins to reduce the deficit to one point. This was maintained after the following five games, but a collapse in the middle order swung the match towards the Vice captain's team, and when Robin Flower defeated Nobby Hodder in game 15, the magic 15 points had been achieved.

A superb rally by the Captain's team won the final five games to add respectability to the scoreline which finally read 15-14 in favour of the Vice Captain.

Singles results: Captain's team 11 1/2 Vice Captain's team 8 1/2.

McOmish beat Skeels 4&3; Hall beat Stephens 3&1; Pope beat Marsh 3&1; Singleton lost to Gudge 3&1, Williams lost to Oliver 5&4; Willerton halved with Paolini; Dawson beat Bareham 4&3; Aldridge lost to Beale 4&3; Barrow beat Jones 5&4; Chance lost to Stone by 2 holes; Markby lost to Dobson 3&2; Potter lost to Heath by 1 hole, Robinson beat Pearce 3&2; Branchflower lost to Davis by 1 hole; Hodder lost to Flower 5&4; Hilsen beat Frost by 1 hole, Wallis beat Fielder 4&3; Dean beat Hill 3&2; Martin beat Denning 5&4; Gage beat Hacking by 2 holes.

## AXE CLIFF with Peter Motson

FOLLOWING rapidly on the heels of their counterparts in the B team, who recently won the East Devon Trophy, the Axe Cliff men's A team were victorious at the recent Hamish Marshall/East Devon League Challenge.

The team of: Chris Glover (captain), Alex Todd, Alex Gabb, Simon Sweetland, Paul Clode, Mike Cottam, Steve Baker and Simon Reed beat six other teams from the East Devon League in this final competition of the year.

The wind played a large part in keeping the scores down in the four ball better ball stableford format with each team having four pairs with each pair's score to count towards the final team total.

The final results were: 7th - Sidmouth (108 pts); 6th - Teign Valley (110); 5th Exminster (110); 3rd - Honiton & Padbrook Park (130); 2nd - Fingle Glen (131); 1st - Axe Cliff (139).

This caps a very successful period for the Axe Cliff club with several district and county trophies now taking pride of place in the trophy cabinet.

## angling ilminster aa

THE V.E.S. Precision league kicked off for 12 Ilminster AA members on the River Isle on Sunday. Redbridge and Isle Brewers were the sections used, all the competitors caught fish and the leading weights were very good considering the river was very low and clear.

Lots of roach, dace, chublets, gudgeon and quite a few perch were caught and pike were a bit of a nuisance in some pegs.

Neil Dring had the best weight on the day with 12lb 2oz on the pole and caster from the weir pool at

Isle Brewers, close behind was Justin Charles with 11lb 13oz on the stick float from peg 126 and in third place was Graham Field with 8lb 13oz from peg 125.

There is a Royal Oak match next Sunday and the draw is at the Royal Oak between 8.30 and 9am.

Result: 1 - Neil Dring (Ilminster) - 12lb 2oz, m 2 - Justin Charles (Ilminster) - 11lb 13oz, 3 - Graham Field (Taunton) - 8lb 13oz.

Sections: A - Frank Woodard (Ilminster) - 6lb 2oz, B - Jake Woodard (Ilminster) - 6lb 9oz.

## Thorns strike as errors cost Chard dear

## Chard 13 Thornbury 20

**South West Division One**  
CHARD will certainly look back on this game and wonder they allowed a possible win to slip from their grasp.

After the game Chard supporters rued the absence of kicker Humphrey who was away playing in a representative game for a Combined Services XV, as well as having to play with 13 men when two players were sent to the bin, and then conceding of far too many penalties which led to several successful kicks for Thornbury as the main reasons for failing to see out another close encounter.

Chard still had enough talent on the field to have won the game but some basic errors

was the deciding factor.

Thornbury took an early lead with a penalty goal but Chard soon put together a lovely flowing threequarter move and full back Ben Stead scored in the corner. The visitors added two more penalties goals before Charlie Roberts reduced the arrears with a penalty kick of his own to make the half-time score Chard 8 Thornbury 9.

The Chard pack were looking dangerous and the extra power provided by the return of former skipper Mark Parsons to the second row was a real bonus.

Indeed with the other lock forward Max Gosden was also having an excellent game Chard were dominating the li-

neout possession.

Right on the half time whistle Chard had had back row forward Chris Spurdle sent to the bin and in the opening minutes of the second half he was joined by Parsons.

Despite being two players down Chard showed terrific resolve and the forwards set up try number two.

Thornbury came under pressure and as a result their skipper Liam Pemberton joined the others in the bin and Chard were quick to take advantage and Louis Bartlett drove over for an excellent try.

The visitors' backs had been dangerous throughout but had generally been well held by some good Chard defence.

However mid way through

the half they moved the ball well and appeared to have scored a good try in the right corner but the 'try' was disallowed because of an apparent foul in touch.

Not long afterwards Chard were clearly blocked from making a tackle but the move was allowed to continue and ended with winger Alfie Richardson going over in the corner for an unconverted try much to the dismay of the Chard fans - but it was probably poetic justice following the earlier disallowed effort.

Chard made every effort to get back in front but were thwarted by some good defence and fell further back after Luke converted two late penalties.

## Somerset Division One

DESPITE this loss Chard felt that they had contributed well to the game and were never overwhelmed by their high flying opponents.

Warren Lewis scored a good try for Chard which was converted by Sam Moulard and Billy Biss was credited with the second try.

The very young Chard team plus the skills of veteran Paul Wright are well led by Connor Moon and are gradually coming to terms with the requirements of the league

## Chard 3rd 31 Wyvern 2nd 22

## Madrid &amp; Crediton Youth

TRAVELLING away to Tiverton for Saturday's two games, the first match saw The Tigers take on Crediton and found themselves going in at half time 3-0 down. In the second half Axminster battled hard and managed pulled one back through Toby James.

In the second game against Moors Madrid, and after some words of encouragement from the coaches Ax bounced back winning 6-1 with goals from Toby James (4), Owen Clifton and Ruben Baulch.

A special mention for debutant Jacob O'Hare who settled in nicely and looks a good prospect.

## Axminster Town U13 2 Crediton 3

THE Tigers entertained league leaders Crediton in an entertaining game with the hosts taking the lead after just three minutes through Archie Clode but Crediton levelled three minutes later.

Axminster then found themselves 2-1 down against the run of play but Billy

Knox, with a great turn of pace, scored a superb goal to equalise.

Despite playing the better football Axminster could not find the winning goal and the visitors grabbed the winner on the break to claim the points.

## Heavitree U13 6 Axminster Town 5

## Aquarius Devon Cup

IN A topsy turvy game the Tigers found themselves 3-0 up early in the first half but Heavitree plodded on and remarkably went in at half time 6-3 up!

The second half continued in the same way but despite their efforts Ax could not find an equaliser. Billy Knox (2), Archie Knox, Freddie Andrews and Archie Clode scored for the young Tigers.

Youth team Training is on Friday nights from 5.30 to 6.30pm on the 3G pitch at Axminster Leisure Centre. The u9s are looking for more players.

SEATON U10s had mixed fortunes on Saturday.

First up they lost 5-1 to Honiton Hor-nets. With a few minutes to go the score was 2-1, after Leo Gribble reduced the 2-0 deficit mid way through the second half.

The contest was evenly matched with chances at both ends, but it was

Honiton that got the crucial next goal.

The goal sapped Seaton of all their belief and a few more goals were conceded within the last minute.

However, they regrouped and poured their disappointment into a cracking game with CS Lions. George Gait fired Seaton ahead just before half time.

The last five minutes saw the Lions lay siege to the Seaton goal but the team pulled together and saw the game out winning 1-0. Man of the Morning was Christian Pincock.

## Colyton Cobras 4 Seaton Town 5

## Exeter &amp; District U14 Div 2

SEATON took the lead in the weekend's local-derby after five minutes through Reece McCabe.

A long-range Rhys Phillips free-kick made it 2-0 but Colyton pulled a goal back and had a couple of shots well saved by Seaton keeper William Hellier. Just before the break McCabe made it 1-3 at half time.

Colyton scored early after the restart only for McCabe to complete his hat-

trick.

Once again Colyton's never die attitude saw them score to make it 3-4. But Phillips' great run from his own half followed with a thunderous shot that restored the two-goal cushion.

Back came Colyton to make it 4-5 but Seaton managed to defend well and see out the win.

Ottery U10s won their two games with ease and allowing manager Alan Carpenter to give season debuts to Tom Bath and Sam Chisholm.

First up were Cullompton who found themselves outplayed from the start. The Otters were ahead within two minutes and never showed signs of letting up. The game ended with the Otters victorious winning 5-0.

The next game against Bradninch side was much of the same. The Otters went ahead early and once again the game ended 5-0 to the Otters.

Goalscorers were; Freddie Clarke, Jack Carpenter and Sam Gleeson.
